

CRO Refresh Training Open Doors Organization

As required by 14 CFR 49 Part 382.143 which states that all employees performing the CRO function receive annual refresh training concerning their duties and the provisions of this regulation.

Our **ON DEMAND 90 Minute Webinar** is designed to allow **current CROs** the opportunity to meet the **DOT requirement** For only **\$49 per participant**, your airline can stay up to date on the requirements.

Our CRO Training Refresh Webinar can be activated at:
<http://www.webeventsolutions.com/index.php/aviation/cro/>

Who may participate?

- CRO's who qualify for annual refresh training
- Supervisors or Managers who want to learn more about Part 382

What will be covered?

- Access issues in air travel today, experienced by people with disabilities
- Air Carrier Access Act updates
- Topics of continued interest among the airline industry
- LIVE question and answer session
